

CURRICULUM VITAE

Chan Min Maung @ phoe chan
Professional Web designer

PERSONAL PROFILE

I have been working web development and designs for almost 7 years and I have gained an excellent knowledge in all areas of design, computers and the internet. I am very passionate about the industry I am involved with and am proud to be considered one of the top professional web designers in Myanmar and to have achieved worldwide recognition for my work. I see one of my major strengths being my adaptability. My overall skills in web development allows me not only to be a web designer but also to be a graphic designer, coming up with logo designs, and creative designs for advertising. This adaptability can also be seen in my design work where I am able handle any task I'm given, be it web, multimedia, CD-ROM Presentation, branding and print.

FURTHER EDUCATION

I find the internet, with its vast library of information, to be one of the greatest places to research, study and expand my skill set. However since finishing high school, I have completed the Associateship of Government Technical Institute (Information Technology): A.G.T.I (IT) at the Pyay Technological University (P.T.U) formerly known as Government Technical Institute: G.T.I in 2005. That is highest diploma in Myanmar. My other educations are as follow
